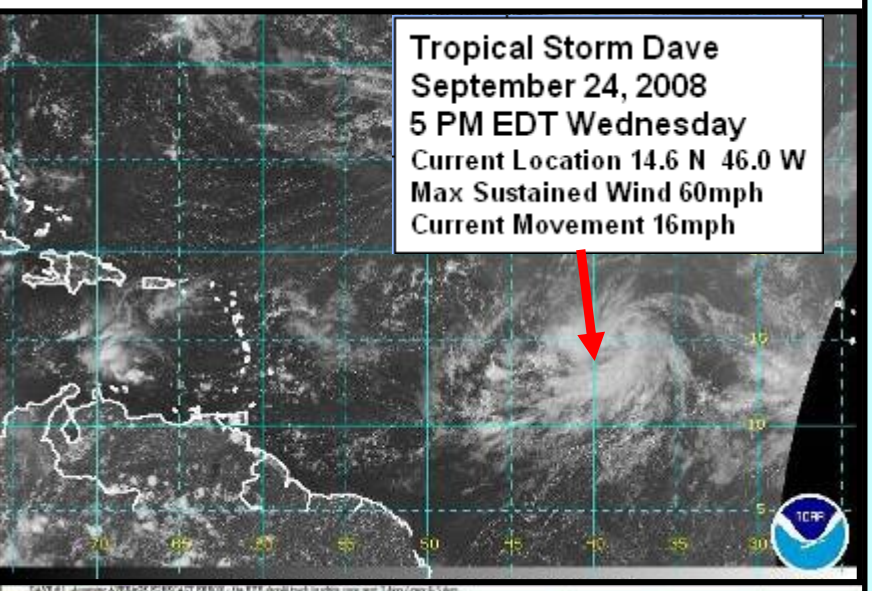
Tropical Storm "Dave" L-168 – L-120



SITUATION:

On Wednesday September 24, 2008 The National Hurricane Center began issuing advisories for the fourth Tropical Storm of the 2008 season. Tropical Storm Dave is currently moving to the west near 16 mph. The storm is expected to continue to move in this general direction and strengthen during the next 24 to 48 hours.

FEMA ACTIVITIES:

NATIONAL - The DHS National Operations Center (NOC) has activated to Level 2 and has initiated daily VTC and Battle Rhythm.

REGIONAL - FEMA Region II has activated the Region II Regional Response Coordination Center (RRCC) in New York. Region IV Logistics has begun coordination with the RIV Defense Coordinating Element (DCE) to contact Points of Contact of potential National Logistics Staging Areas (NLSA) sites.

USACE ACTIVITIES:

NATIONAL - HQUSACE Operations Center (UOC) has designated SAD as a potential Supported Division for Puerto Rico and the US Virgin Islands.

Regional - The South Atlantic Division (SAD) has been contacted by the FEMA II RRCC and a verbal Mission Assignment for Regional Activation has been issued. The North Atlantic Division (NAD) will provide initial representation to the Region II RRCC on behalf of SAD. All SAD PRT's have been placed on Alert.

District/Local - The Jacksonville District (USACE) and the Antilles Area Office have been placed on Alert. The Puerto Rico Emergency Management Agency (PREMA) and the Virgin Islands Territorial Emergency Management Agency (VITEMA) are also on alert.
